1.0	12.10.2026	First issue, SOLAS B pack, lifeboat equipment	Tuomas Kokoi

National interpretation regarding IMO Publication:

LSA Code - International Life-Saving Appliance Code

General notes for interpretations

Whenever this document refers to a recognised organization (RO) or classification society, it means recognised organisation authorised by the Finnish Transport and Communications Agency Traficom.

The RO shall inform Traficom if any communication with IMO, or any agreement with other Governments, is needed.

Unless expressly provided otherwise; exemptions, equivalents and exceptions are to be handled by Traficom.

Footnotes are to be complied with.

Order to be followed to find an interpretation:

1. Interpretations from Traficom are to be followed. If not available,
2. Interpretations in IMO Resolutions and Circulars are to be followed. If not available,
3. Interpretations in IACS UI supported by IMO are to be followed. If not available,
4. Traficom must be consulted with.

LSA Code

International Life-Saving Appliance Code - Resolution MSC.48(66)
