<b>Data processing</b>	
Recipients and recipient groups of personal data (Disclosure)	<p>Confidentiality regulations or other restrictions on the disclosure of information notwithstanding, the Finnish Transport and Communications Agency, the Ministry of Defence, the Ministry for Foreign Affairs, the Ministry of Transport and Communications, the Finnish Security and Intelligence Service and the Finnish Defence Forces have the right to disclose documents that they have obtained or drawn up in connection with carrying out their statutory duties and disclose confidential information to each other if doing so is necessary for the performance of their statutory duties.</p> <p>Furthermore, in connection with reliability evaluations, personal data may be disclosed to the Legal Register Centre, National Enforcement Authority Finland and other competent authorities for the purpose of obtaining the necessary register extracts and documents.</p> <p>Personal data related to invoices are disclosed during invoicing to the invoicing customer register of the Finnish Government Shared Services Centre for Finance and HR's (Palkeet) Kieku system using a secure machine-to-machine (M2M) connection.</p> <p>The data are used for tasks related to invoicing, such as the sending of invoices and collection proceedings.</p>
Processing of personal data on behalf of the controller	No processing of personal data on behalf of the controller.
Transfer of personal data to third countries outside the EU/EEA	No data is disclosed outside the EU or EEA.
Automated decision-making and profiling	The personal data processing does not involve automated decision-making or profiling.

## Rights related to the processing of personal data

<p><b>About exercising rights</b></p> <p>You can exercise your rights by submitting a request to Traficom by email or post. The controller's contact details are listed in this privacy statement under the section 'Controller's contact details'.</p> <p><b>The right to lodge a complaint with the supervisory authority</b></p> <p>If you believe that your personal data are being processed in violation of legislation, you may lodge a complaint with the Office of the Data Protection Ombudsman.</p> <p style="text-align: center;">Office of the Data Protection Ombudsman Postal address: PO Box 800, FI-00531 Helsinki, Finland Email: tietosuoja(at)om.fi Telephone exchange: +358 (0)29 566 6700</p>	
Right of access to personal data	The data subject has the right to obtain from the controller confirmation as to whether or not personal data concerning the data subject is being processed. If processing takes place, the data subject has the right to access the personal data.
Right to rectification	The data subject has the right to obtain from the controller without undue delay the rectification of inaccurate or incorrect personal data.
Right to object	<p>In situations where the processing of personal data is based on public interest, the exercise of official authority vested in the controller or the legitimate interest of the controller or a third party, data subjects have the right to object to the processing of personal data concerning them.</p> <p>If data subjects use their right to object, the controller must stop the processing of their personal data, unless the controller demonstrates compelling legitimate grounds for the processing which override the interests, rights and freedoms of the data subject, or for the establishment, exercise or defence of legal claims.</p> <p>If the personal data are processed for direct marketing purposes, the data subject has the right to object to the processing without any specific grounds.</p>
Right to restriction of processing	<p>The data subject has the right to obtain from the controller restriction of processing if:</p> <ul style="list-style-type: none"> <li>- the data subject contests the accuracy of the personal data</li> <li>- the processing is unlawful, but the data subject opposes the erasure of the personal data and requests the restriction of their use instead</li> <li>- the controller no longer needs the personal data for the purposes of the processing, but it is required by the data subject for the establishment, exercise or defence of legal claims</li> <li>- the data subject has objected to the processing of the personal data pending the verification of whether the legitimate grounds of the controller override those of the data subject.</li> </ul>
Right to data portability	The data subject has the right to receive the personal data concerning him or her which he or she has provided to the controller in a structured, commonly used and machine-readable format and the right to

	<p>transmit those data to another controller without hindrance from the controller to which the personal data have been provided, where the processing is based on consent or on a contract and the processing is carried out by automated means.</p> <p>At Traficom, personal data are most often processed for the purpose of carrying out the statutory tasks of an authority, in which case the data subject does not have the right to data portability, unless separately provided by law.</p>
Right to erasure	<p>In situations where the legal basis for the processing of personal data is something other than compliance with a legal obligation, data subjects have the right to obtain from the controller the erasure of personal data concerning them. The requested data will be erased unless the controller has a legal basis for refusing to erase the data, such as a legal obligation to retain the data.</p> <p>At Traficom, personal data are most often processed for the purpose of carrying out the statutory tasks of an authority, in which case the data subject does not have the right to erasure.</p>
Right to withdraw consent	<p>Insofar as personal data are processed on the basis of the consent of the data subject, data subjects may withdraw their consent at any time by notifying the controller of the withdrawal. Withdrawing consent will not affect the lawfulness of processing carried out on the basis of the consent of the data subject before its withdrawal.</p>
