<p>Controller Finnish Transport and Communications Agency (Traficom)</p>	<p>Controller's contact details PO Box 320, FI-00059 TRAFICOM, Finland kirjaamo@traficom.fi telephone +358 29 534 5000</p> <p>Contact details of the controller's data protection officer PO Box 320, FI-00059 TRAFICOM, Finland tietosuoja@traficom.fi telephone +358 29 534 5000</p> <p>If your message contains confidential, secret or otherwise sensitive content or a personal identity code, please use Traficom's secure email.</p>
<p>Grounds for and purpose of the data processing</p> <p>The data is processed for the purpose of carrying out the controller's statutory duties. According to section 304 of the Act on Electronic Communications Services (917/2014), Traficom acts as the competent authority referred to in Article 13 of Regulation (EU) 2022/868 of the European Parliament and of the Council on European data governance and amending Regulation (EU) 2018/1724 (Data Governance Act). The duties of the competent authority include receiving notifications from data intermediation services providers, maintaining a register of data intermediation services providers and monitoring the activities of data intermediation services providers.</p>	

<p>Data content</p>	
<p>The data undergoing processing</p>	<p>Information provided by data intermediation services providers in notifications:</p> <ul style="list-style-type: none"> b) the name of the data intermediation services provider; c) the data intermediation services provider's legal status, form, ownership structure, relevant subsidiaries and registration number; d) the address of the data intermediation services provider's main establishment and, where applicable, of any secondary branch or that of the legal representative; e) a public website f) the data intermediation services provider's contact persons and contact details; g) a description of the data intermediation service the data intermediation services provider intends to provide, and an indication of the categories listed in Article 10 of the Data Governance Act under which such data intermediation service falls; h) the date for starting the activity; i) name and contact details of the person who submitted the notification.
<p>Sources of the processed data (where</p>	<p>The data is received from data intermediation services providers that submit notifications for data intermediation services.</p>

data is received from)	
Storage period of personal data	The data are stored for as long as is necessary for carrying out the controller's statutory duties or for 10 years from the end of data intermediation services activities.

Data processing	
Recipients and categories of recipients of personal data (to whom personal data is disclosed)	<p>Data can only be disclosed in accordance with the obligations and restrictions set out in currently valid legislation or based on the consent of the data subject. Data is not disclosed for direct marketing purposes. The data are official documents as referred to in the Act on the Openness of Government Activities (621/1999), access to which can be granted in accordance with the conditions laid down in sections 13 and 16 of said Act, unless they are secret pursuant to said Act or other legislation.</p> <p>The data are disclosed to the European Commission. The Commission maintains a register of all data intermediation services providers that provide services within the European Union and updates it regularly. The information referred to in points a, b, c, d, f and g above must be published in the public national register of recognised data altruism organisations. In addition to this, the Commission and the competent authorities for data intermediation services of other Member States can be provided with data that they need to carry out their duties in accordance with the Data Governance Act.</p>
Processing of personal data on behalf of the controller	No data processing operations have been outsourced to a data processor.
Transfer of personal data to third countries outside the EU/EEA	Traficom will not transfer the personal data to third countries outside the EU/EEA.
Automated decision-making and profiling	Data is not used for profiling and the processing of personal data is not subject to automated decision-making.

Rights related to the processing of personal data
<p>About exercising rights</p> <p>You can exercise your rights by submitting a request to Traficom by email or post. The controller's contact details are listed in this privacy statement under the section 'Controller's contact details'.</p> <p>The right to lodge a complaint with the supervisory authority</p> <p>If you believe that your personal data is being processed in violation of legislation, you may lodge a complaint with the Office of the Data Protection Ombudsman.</p> <p style="text-align: center;">Office of the Data Protection Ombudsman PO Box 800, FI-00531 Helsinki, Finland tietosuoja(at)om.fi tel. +358 29 566 6700</p>

Right of access	The data subject has the right to obtain from the controller confirmation as to whether or not personal data concerning him or her is being processed. If processing takes place, the data subject has the right to access the personal data.
Right to rectification	The data subject has the right to obtain from the controller without undue delay the rectification of inaccurate or incorrect personal data.
Right to restriction of processing	The data subject has the right to obtain from the controller restriction of processing if: <ul style="list-style-type: none">- the data subject contests the accuracy of the personal data- the processing is unlawful, but the data subject opposes the erasure of the personal data and requests the restriction of its use instead- the controller no longer needs the personal data for the purposes of the processing, but it is required by the data subject for the establishment, exercise or defence of legal claims- the data subject has objected to the processing of the personal data pending the verification of whether the legitimate grounds of the controller override those of the data subject.
