Data processing

Recipients and recipient groups of personal data (who data is disclosed to)	Data is not regularly disclosed. Data is disclosed to those requesting it in accordance with the Act on the Openness of Government Activities. The data and documents are public, unless specifically prescribed as confidential by law.
Processing of personal data on behalf of the controller	Personal data is processed by Traficom and the processing has not been transferred by contract to other parties.
Transfer of personal data to third countries outside the EU	Traficom has the right to disclose information in the register to foreign authorities or for official functions if the disclosure is provided for in law, European Community law or through international agreement binding on Finland. If personal data is transferred outside the European Economic Area, the conditions of Chapter V of the European Union's General Data Protection Regulation must be met.
Processing of personal data for purposes other than those for which	Traficom does not use data other than for the activities specified in law

the data was initially collected	
Automatic decision-making and profiling	Traficom does not use automatic decision-making or profiling.

Rights of data subject

Right to access one's own data	The data subject shall have the right to know whether Traficom is processing personal data concerning him/her or not, as well as to access personal data concerning him/her that is being processed by Traficom.
Right to rectification of data	The data subject shall have the right to demand that Traficom rectify inaccurate personal data concerning the data subject or supplement incomplete personal data.
Right to object	The legal basis for the processing of personal data is the performance of a statutory task.
Right to lodge a complaint with the supervisory authority	The data subject shall have the right to submit a complaint to the Data Protection Ombudsman if the data subject is of the view that the personal data concerning him/her is not processed in accordance with the applicable legislation. This right is without prejudice to any other administrative or judicial remedy
Right to have data transferred between systems	The legal basis for the processing of personal data is the performance of a statutory obligation, in which case this right does not apply to Traficom.
Right to removal of information	The legal basis for the processing of personal data is the performance of a statutory obligation, in which case this right does not apply to Traficom.
