

## DECLARATION UNDER OATH

By signing this document, I declare that:

I will not use my Finnish aviation licence for flying in Russia or for Russian flight operators, or for flying aircraft listed in the Russian register. I will neither fly aircraft registered in another country's register owned or chartered or otherwise controlled by Russian natural persons, legal persons, entities or bodies.

If the situation later changes so that I no longer meet the requirements described above I undertake to hand in my pilot licence immediately to the Finnish Transport and Communications Agency.
